CEFR Level:	B1	Duration:	60 Minutes
Lesson Shape:	E (Receptive Skills)	Assessment:	N/A
Main Focus:	Reading	Materials:	Oxford Discover Futures 3, pp 144-145

Main Aim: By the end of the lesson, learners will have practiced the sub-skills of scanning for information and reading for specific detail in the context of the Gothic novel *Frankenstein* by Mary Shelley.

Differentiated Input

Pedagogical Rationale: Differentiated Input & Learner Autonomy
Support is provided through pre-teaching high-frequency literary and sci-fi vocabulary (e.g., promising, isolated) and using a “Strategy Bridge” for genre identification. Fast finishers are encouraged to identify Victor’s character flaws and their consequences within the text.
