

Name - Surname _____ Grade _____ No. _____

Teacher:	Ed Rush	Date:	13-02-2026
CEFR Level:	B1	Duration:	45 Minutes
Lesson Shape:	C (Test-Teach-Test)	Assessment:	CA
Main Focus:	Grammar (used to vs would)	Materials:	Oxford Discover Futures 3 Workbook Chapter 1

Main Aim: By the end of the lesson, learners will be better able to describe past habits and states using **used to** and **would** accurately in spoken and written contexts.

Differentiated Input

Pedagogical Rationale: Differentiated Input & Learner Autonomy

This lesson allows for varying degrees of challenge during the practice stage. Stronger students can incorporate “be used to / get used to” for extra complexity, while others can focus purely on differentiating between “used to” (states) and “would” (actions).

Time	Goal	Procedure	Int
STAGE ONE: Lead-in			
5 Min	To engage Ss and activate schemata	• Hook: T writes “When I was 10, I...” on the board. • T gives a personal example (e.g., “I used to play hide and seek”). • Elicit: Ss brainstorm 3 things they did as children that they don’t do now. • Interaction: Ss discuss in pairs.	T-Ss / Ss-Ss

Time	Goal	Procedure	Int
	about past habits.		
STAGE TWO: Test 1			
10 Min	To test prior knowledge of past habits using 'used to' and 'would'.	• Task Setup: Ss open Workbook to Page 7. • Ss complete Exercise 5 (Complete the dialogue with the correct form of used to) and Exercise 7 (Replace used to with would where possible). • Monitoring: T monitors to identify common errors and see if Ss naturally understand when "would" cannot be used (e.g., with state verbs). • Ss check answers in pairs.	Indiv / Ss-Ss
STAGE THREE: Teach			
10 Min	To clarify meaning, form, and pronunciation of target language.	• Feedback: T reviews answers on the board for Ex 5 & 7. • Meaning (CCQ): "Do we still do these things now?" (No). "Can we use 'would' for living somewhere?" (No, only for actions). • Form: Clarify that <i>used to</i> works for BOTH states and habits. <i>Would</i> works ONLY for repeated actions/habits in the past. • Pronunciation: Model and drill the pronunciation of "used to" / ju:st tu/ (not "yooz-d"). Chorally and individually.	T-Ss
STAGE FOUR: Test 2			
10 Min	To test understanding of the clarified rules.	• Controlled Practice: Ss complete Exercise 8 (Complete sentences with used to / didn't use to or would / wouldn't. Note: both forms are possible for some). • Peer Check: Ss swap papers and check answers. • Feedback: T monitors and corrects common errors on the board, specifically emphasizing the constraint of "would".	Indiv / Ss-Ss
STAGE FIVE: Practice			
10 Min	To provide freer practice.	• Personalization: Ss think of a major change in their life (like starting a new school, referencing Ex 12). • Writing Task: Ss write 3 sentences about their past habits vs now, using both 'used to' and 'would'. • Speaking Task: Ss share their sentences with their group. • T monitors for correct usage and provides delayed feedback on any persistent errors.	Indiv / Ss-Ss
