CEFR Level:	B1	Duration:	45 Minutes
Lesson Shape:	E (Receptive Skills)	Assessment:	N/A
Main Focus:	Reading	Materials:	Unit 2 - Legendary Cities (WB p.14-15)

Main Aim: By the end of the lesson, learners will have practiced the sub-skills of scanning for specific information and reading for detail in the context of three legendary cities: Atlantis, El Dorado, and Shangri-La.

Differentiated Input

Pedagogical Rationale: Differentiated Input & Learner Autonomy

Support is provided by pre-teaching key lexical items related to legendary cities (e.g., philosopher, ritual, fictional) and using a staged reading approach (scanning for specific data before detailed comprehension). Peer-checking allows students to support each other during the gap-fill and multiple-choice tasks.
